

## Notice and Access Notification to Shareholders

You are receiving this notification as Parkland Corporation (“Parkland”) has decided to use the notice and access model (“Notice and Access”) for the delivery of meeting materials to its shareholders who do not hold their common shares of Parkland (“Common Shares”) in their own name (“Beneficial Shareholders”) in respect of its annual general and special meeting of shareholders to be held on May 4, 2023 (the “Meeting”). Under Notice and Access, Beneficial Shareholders still receive a voting instruction form enabling them to vote at the Meeting. However, instead of receiving a paper copy of Parkland’s information circular dated March 22, 2023 (the “Information Circular”), Beneficial Shareholders are receiving this notice with information on how they may access the Information Circular electronically. This alternative means of delivery is more environmentally friendly as it will help reduce paper use. It will also reduce Parkland’s printing and mailing costs.
