RED DEER, AB--(Marketwired - February 11, 2015) - Parkland Fuel Corporation ("Parkland" or the "Corporation") (TSX: PKI), Canada's largest independent marketer of petroleum products, today announced that it has appointed Mike McMillan as its Chief Financial Officer ("CFO"). Mr. McMillan joined Parkland in 2009 as the Controller of the Retail division and subsequently led the integration of Cango Inc. and Parkland's eastern Canadian retail operations. In 2011, Mr. McMillan was appointed Vice President and Treasurer where he was responsible for treasury, corporate planning, and the development of the risk and controls function.

"I am excited to welcome Mike into the CFO role at Parkland. I am also pleased that a strong internal candidate was successful after an extensive cross border search," said Bob Espey, President and Chief Executive Officer of Parkland. "The strength of Mr. McMillan's finance, accounting, and capital markets background, coupled with his extensive knowledge of our business gained through his previous positions at Parkland made him an excellent fit for the CFO role."

Mr. McMillan has over 20 years of experience in public and private industry roles including Director of Finance for Nortel Networks, Retail Controller of Nygard International, Controller of Buhler Industries, and Vice President of Professional Services for a Toronto-based consulting company.

Mr. McMillan earned an undergraduate degree in economics and chemistry from the University of Manitoba and a Masters of Business Administration degree from the University of Calgary. Mr. McMillan is a Chartered Professional Accountant (CPA, CMA).

About Parkland Fuel Corporation

Parkland Fuel Corporation is Canada's largest independent marketer of fuel and petroleum products. We deliver gasoline, diesel, propane, lubricants, heating oil and other high quality petroleum products to motorists, businesses, households and wholesale customers in Canada and the United States. Our mission is to be the partner of choice for our customers and suppliers, and we do this by building lasting relationships through outstanding service, reliability, safety, and professionalism.

We are unique in our ability to provide customers with dependable access to fuel and petroleum products, utilizing a portfolio of supply relationships, storage infrastructure and third-party rail and highway carriers to rapidly respond to supply disruptions in order to protect our customers.
